**Call for Abstracts**

Abstract (250-350 words) based on empirical research along with CV of the presenter (for official purpose only) should be submitted by 30th April, 2016. After Review from Scientific Committee, acceptance for paper presentations will be sent to the author(s). Full text papers will be required to be submitted within 30 days of intimation of abstract approval of the scientific committee. Paper presentations will be contingent upon submission of full text papers.

Empirical papers can also be presented in poster format. The procedure for selection of poster presentation will be the same as mentioned in paper presentations.

A special issue of Pakistan Journal of Psychological Research *(for detail about journal visit journal website [http://www.pjprnip.edu.pk/pjpr](http://www.pjprnip.edu.pk/pjpr)) will be published for conference papers. Only papers submitted within 30 days of the approval notification will be considered for a blind review to be included in the special issue of PJPR.

**Call for Pre-Conference Workshops**

Those who are interested in organizing workshop on varying issues of Psychology can contact us. These workshops can be scheduled from June, 2016 onwards depending upon feasibility and suitability of time. The outline for the workshop and CV of the resource persons must be shared beforehand so that scientific committee could scrutinize it. On the basis of committee’s recommendations the acceptance for organizing the workshop will be given.

*You are requested to submit your Research Abstracts online on the following email addresses:*
